Improve your professional english for «KROK 1. Dentistry» (2006-2019): study guide / edited by I.Yu. Oliinyk, N.M. Chaikovska. Chernivtsi: BSMU, 2020. 357 p.

The manual aims at improving professional English and theoretical knowledge of students in nine fundamental medical and biological disciplines included in the structure of USQE, Stage 1 "KROK 1 and Professional English" for the specialty "Dentistry", consisting of dental students in the VI academic term.

2750 tests selected by the compilers will become a useful basis for self-improvement and self-training of dental students of 1-3 years of training, as well as for the teachers of these disciplines.
