Babinets L.S., Barna O.M., Biletskyi S.V. et al. Family Medicine: textbook. In 3 book. Kyiv: AUS Medicine Publishing, 2018. Book 2. Symptoms and Syndromes in Clinical Course of Internal Diseases. 376 p.

The textbook is composed in accordance with curriculum in the specialty “General Practice - Family Medicine”.

The textbook presents the current approach to common problems in family physician practice, highlights the main symptoms and syndromes in cardiology, gastroenterology, pulmonology, nephrology, hematology, endocrinology as well as other syndromes that general practitioner-family physician most often manages in medical practical activity. Information on the causes, pathogenesis, clinical manifestations, diagnostic search algorithms in the presence of these syndromes, differential diagnosis of various diseases manifested by these symptoms and syndromes is provided in the textbook.

Assessment and treatment algorithms, first aid managing and practical recommendations are proposed in detail.

For students of higher education establishments - medical universities, institutes and academies, internship doctors in the specialty “General Practice - Family Medicine”.

Contents

Chapter 1. Syndromes in Cardiology	5
Chest Pain Syndrome (<i>S.V. Biletskyi</i>)	5
Edematous Syndrome (<i>S.V. Biletskyi</i>)	29
Syndrome of Arterial Hypotonia (<i>A.A. Zazdravnov</i>)	32
Sick Sinus Syndrome (<i>A.A. Zazdravnov</i>)	37
Syndrome of Premature Ventricular Excitation (<i>S.V. Biletskyi</i>)	40
Long <i>Q—T</i> Interval Syndrome (<i>S.V. Biletskyi</i>)	44
Syndrome of Chronic Heart Failure (<i>O.V. Syniachenko</i>)	47
Chapter 2. Syndromes in Gastroenterology (<i>V.M. Chernobrovyi</i>)	59
Abdominal Pain Syndrome	59
Dyspepsia	64
Heartburn	67
Dysphagia	70
Nausea and Vomiting	72
Constipation	75
Chronic Diarrhea	77

Jaundice	80
Portal Hypertension	83
Chapter 3. Syndromes in Pulmonology (<i>L.S. Babinets, I.O. Borovyk</i>)	87
Syndrome of Pulmonary Tissue Consolidation	87
Syndrome of Bronchial Obstruction	101
Syndrome of Pulmonary Insufficiency	108
Syndrome of Fluid Accumulation in the Pleural Space	116
Syndrome of Air in the Pleural Space	126
Syndrome of Cavity in the Lung Tissue	131
Syndrome of Increased Airiness of the Lungs (Emphysema)	135
Syndrome of Obstructive Atelectasis	139
Syndrome of Compressive Atelectasis	141
Syndrome of Pulmonary Arterial Hypertension	141
Syndrome of Cough	145
Chapter 4. Syndromes in Nephrology	158
Urinary Syndrome (<i>V.M. Lisovyi</i>)	158
Nephrotic Syndrome (<i>N.M. Zhelezniakova</i>)	175
Chapter 5. Syndromes in Hematology	185
Anemia Syndrome (<i>T.M. Pasiyeshvili</i>)	185
Lymphadenopathy Syndrome (<i>L.M. Pasiyeshvili</i>)	192
Chapter 6. Syndromes in Rheumatology (<i>L.M. Pasiyeshvili, O.M. Barna</i>)	204
Articular Syndrome	204
Osteoporotic Syndrome	213
Chapter 7. Syndromes in Endocrinology	231
Hyperglycemic Syndrome (<i>T.M. Pasiyeshvili</i>)	231
Metabolic Syndrome (<i>S.V. Biletskyi</i>)	236
Chapter 8. Syndromes in Pediatrics	241
Anemia Syndrome (<i>T.V. Frolova</i>)	241
Lymphadenopathy Syndrome (<i>I.I. Tereshchenkova</i>)	250
Apnea Syndrome (<i>V.I. Velychko, H.O. Danylchuk</i>)	254
Foreign Bodies in the Airway, Ear and Esophagus (<i>V.I. Velychko, H.O. Danylchuk</i>)	263
Syndrome of Neck and Back Pain in Children (<i>V.I. Velychko, H.O. Danylchuk</i>)	
Syndrome of Sex Development Disorders (<i>V.I. Velychko, H.O. Danylchuk</i>)	281
Traumas. Traumatic External and Internal Hemorrhages (<i>V.I. Velychko, H.O. Danylchuk</i>)	297
Gastrointestinal Hemorrhages (<i>F. Velychko, H.O. Danylchuk</i>)	310
Chapter 9. Other Syndromes in Medical Practice	319
Hepatomegaly Syndrome (<i>L.M. Pasiyeshvili, L.M. Bobro</i>)	319
Splenomegaly Syndrome (<i>L.M. Bobro, L.M. Pasiyeshvili</i>)	328
Hepatolienal Syndrome (<i>L.M. Pasiyeshvili, L.M. Bobro</i>)	336
Subfebrile Condition in Adults (<i>N.M. Zhelezniakova</i>)	340
Skin Itch (<i>N.D. Chukhriienko</i>)	350
Dyspnea Syndrome (<i>Ye.Ya. Skliarov</i>)	360
Chronic Fatigue Syndrome (<i>V.M. Zhdan, L.M. Shylkina, Yu.M. Kazakov</i>)	364
